DC's Report

Welcome to the July Rally.

Parents Instructing/Interfering from the Sidelines

We all get excited and want the best for our kids when we see them ride. However, at pony club, the instructor is the only one teaching your kids in their class. Please keep quiet; do not interfere. If you feel you can't keep quiet we will find you another job – perhaps the canteen is calling your name?

Junior Committee Elections

This rally all members who are in Year 7 at school and up are eligible to join the Junior Committee. This committee will be looking to raise funds for projects for the club. The elections will be for President, Secretary and a Fundraising Coordinator. The elections will be held at lunchtime.

BEDS

Thank you to our volunteers at our BEDS competition on Monday the 12th June. We had pencilors, gear checkers, runners and canteen volunteers. Please tell Kylie Hayter at the rally your volunteer hours. Our BEDS competition was the start of our Volunteer hours for the 2017/18 financial year. Next event will be our show in December so you can all rest up for then ☺

Fees

Fees are now overdue for riders who have not renewed for the 2017/18 financial year. Cost is \$300 per rider. You must pay at this rally before you ride. Please see Kurt.

40th Anniversary

It is our club's 40th anniversary this year. To celebrate we will have a 70s theme at our November rally – everyone start preparing to turn up in your best 70s gear.

See you on Sunday, Your DC, Caroline ☺

Coaching from the sidelines:

This is NOT acceptable at a rally. Parents are asked to please respect each instructor and let them do their job. It is extremely off-putting for the instructor and very distracting for the children.

If you feel that you just can't help yourself and hold back that urge, perhaps go up to the clubrooms and have a coffee.

The instructors may "ask" you to take a coffee break otherwise....

Sand Arena

All groups using the sand arena will be required to clean up their own poo – Group leaders can you please organize the contributors to the poo to clean up after themselves – either during the lesson or immediately after it.

Cross Country Silks and Helmet Covers

Made in DLPC colours available from:

See Charly Hardy-Smith for more information.

Pony Club Etiquette

Walk between lessons

Walk when coming back from lessons

If you need to leave a lesson for any reason, please ask permission from your instructor first – don't run off.

Parent's Attendance at Pony Club Rallies and Events

Every child under 17 years must be accompanied at all times by a parent or nominated guardian at all pony club events.

If parents cannot attend they must sign a form designating who will be the guardian on that day, and the guardian must also sign if in agreement. This is an important safety issue.

All parents and guardians must now have a valid Working with Children Check Permit.

DVD of the Month

Equine Internal Parasites and Sustainable Parasite Control

Publisher: Mouse Hole Farm

Author: Advanced Equine Studies

Format: DVD

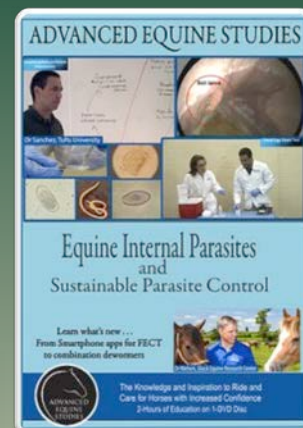

Run Time: 2 hours

Price: \$39.95 (AUD) including GST

<https://www.horsebooks.com.au/product/0/106620/equine-internal-parasites-and-sustainable-parasite-control-888295586535/>

Deworming protocols over the past 40 years have resulted in enormous health benefits for the horse. But the practice of frequent deworming has created the drug-resistant parasites we face today. The focus is now on sustainable parasite control: Testing for parasitic levels before deworming and only deworming when parasites reach a certain level. Treatment is then targeted to specific parasites. This program guides you through the current protocols for keeping horses healthy and performing at their highest level. What you'll learn in this 2-hour program:

- **Life Cycles of Common Parasites:** How horses are infected and the health threats posed by parasites.
- **Manure and Pasture Management:** The best practices to minimize parasite larvae on your farm.
- **Fecal Egg Count Testing:** Using the calendar to schedule rotational deworming is no longer the basis of an acceptable deworming program. Learn why fecal testing is now the standard for sustainable parasite control. You'll see how tests are performed and analyzed.
- **Chemical and Drug-free Deworming:** Learn about chemical and drug-free dewormers — what works, what doesn't, and when to treat.
